

## A Hand Up Not A Hand Out

Habitat partners with families to build skills and dignity. We offer a pathway to affordable homeownership, fostering brighter futures that strengthen our communities. Affordable homeownership also paves the way for better educational outcomes, healthier living, financial security, and deeper connections with all sectors of our community.

**We build strength, stability, and self-reliance through shelter**

## Team Build Day Sponsorships

Team Build Day Sponsorships are a key way our local Habitat raises funds for home builds. Spending a day on a Habitat build is a great way for companies, community organizations, churches, or a group of friends to make a positive impact on a local family. What better way to learn the value of team building, leadership, and cooperation, than by building a Habitat home together!

## Sponsorship Benefits

- A private build day experience with group photo op in front of the home
- Habitat-logged volunteer t-shirts
- Tagged social media posts recognizing sponsorship
- Logo recognition on our website for one year
- Use of the Habitat of Summit & Wasatch Counties logo for one year to promote partnership
- Recognition in newsletter sent to over 3,000 supporters
- Invitation to and recognition during Home Dedication ceremony and its related materials

## Make an Impact

*"Truly, thank you for our HOME, for all of the people who have been changed because of living here, and for the security, comfort, and peace."*

*Patti V., Habitat Homeowner*

**Building homes, community, and hope.**
