2025 Overall Ball & Hats Off to Community Housing

a partnership between Habitat for Humanity of Summit and Wasatch Counties, Utah and the Park City Board of REALTORS, benefiting housing affordability in the Wasatch Back.

When: June 2025

Where: Park City Mountain, Park City, Utah

WHY

Supporting Habitat for Humanity benefits both the families who can buy a home affordably and the businesses looking for a stable workforce, complete with a marketing opportunity on the side.

Thousands of families work full time to support the community as tradespeople, civil servants, office managers, hospitality workers and in other professions. When a family chooses to partner with Habitat for Humanity and qualifies for our Homeownership Program, they can own a piece of the American Dream. Habitat provides an opportunity for families whose only barrier is a housing market out of their reach.
